SYSTEMS

676 E Ellis Road
Norton Shores, MI 49441

Made In the U.S.A

We, at Inter Dyne Systems, Inc., pride ourselves in providing the highest quality products found anywhere. We fabricate, manufacture and assemble right here in the United States of America. We are dedicated to continue in maintaining these high standards.

All stainless-steel components therein are comprised of steel that is melted and/or manufactured in the United States. We certify that we have received assurances from our suppliers/manufacturers, of said steel, that it does not contain foreign manufactured steel.

Thank you,

Jack Andree
